

Program Outcomes – MSW Programme

PO1 Critical Thinking and Professional Judgment: Our graduates will make a critical analysis, intervene using innovative frameworks and evaluate and follow up.

PO2. Effective Communication: Our graduates will communicate effectively in their professional engagements, engage in inter-personnel, behavioural change communication, and be proficient in Information Communication Technology.

PO3. Gender Sensitization and Social Interaction: Our graduates will collaborate and work in teams and partnerships at local and national projects and settings, focusing on gender equity and cultural sensitivity.

PO4. Active Citizenship: Our graduates will engage in service-learning and community engagement programmes to achieve local, regional and national goals.

PO5. Ethics: Our graduates will be involved in social work practice as per the National Association of Social Workers' ethical framework.

Program Specific Outcomes

PSO 1: Conceptual clarity: Graduates get familiarized and attain conceptual clarity in social work theories, perspectives, models, methods and processes of social work practice.

PSO2: Attaining procedural skills: Graduates learn different steps of doing a work/involvement as per local, national and international protocols- norms, legal bindings and regulations.

PSO3: Strategic intervention skills: Study what should be done when and how it should be done to social work interventions in children, women, families, community development, health and mental health, development projects, and other welfare activities.

PSO4: Attitudinal change: Occupied with the individual self for eloquent and enriching social work professional career.
